Pre-K

Mrs. Lampe, Mrs. Maccio, Mrs. Meyer, Mrs. North

Month of September 2023

WELCOME!

We can't believe the summer is over and it's back to school time. We hope you had a chance to attend our Meet the Teacher evening. We are going to have a great school year!

This month we are working on getting to know each other, sharing pictures of our families (including our pets) and talking about some furry animals. We'll read lots of books and learn some new songs!

If you ever have any questions or concerns, please don't hesitate to ask your child's teacher. We are here to help.

ART

We'll begin with the basics: crayons, markers, colored pencils, scissors, paper and glue. We'll learn how to properly use and care for these items.

We'll encourage the children to be creative and make their own Pre-K masterpieces.

STORIES TO READ

Bucket Fillers

The Kissing Hand

Clifford's First Day of School

Pete the Cat

BLOCK CENTER

We will fill the block center with lots of different items to build and play with (wooden blocks, soft foam blocks, trains, cars, animals etc.) I'll bet the children will surprise us with their clever ideas and creativity with their buildings and cities!

TOYS AND GAMES

There are lots of things to learn about and play with in this center. We will show the children all the fun things there are to do in this center and teach them how to care for and clean up these educational toys.
