

CLASSROOM TIMES

Mrs. Honchell & Mrs. Stempfley, Ms. Huston,
and Mrs. Watson & Mrs. Seals
November 2023

A new month is upon us with many exciting things happening in our classrooms. This month we will be learning about Nocturnal Animals, Pilgrims, Native Americans, and Thanksgiving.

Parties & Activities

In the classroom this month we will be making special decorations to be hung on our Grandfriends doors.

We will be doing fall phone conferences on November 7th, 8th and 9th.

We will also have a Thanksgiving Feast! Wednesday, November 15th for 3 day classes (both AM & PM) and Friday, November 17th for 2 day classes.

Remember NO SCHOOL November 20th- 24th! Enjoy your Thanksgiving break!

Discovery

This month in Discovery Center we will have two new explorations. First we will explore Nocturnal and Diurnal Animals. Then later in the month we will begin our All About Ramps exploration. Thank you to everyone who helped to make our ramp exploration possible.

Library Center

In our Library Center we will be adding different books about Pilgrims, Native Americans, and Thanksgiving for the children to explore. This allows for the children to get visual images of what Pilgrims looked like as well as Native Americans. These books also help share the story of the first Thanksgiving.

Blocks

This month in our block center we will be adding Lincoln logs for the children to build with. This allows the children to build and see what the homes the Pilgrims lived in used to look like.

Dramatic Play

In this center for the month we will be adding new foods and serving trays. This allows for the children to act as if they were a part of the time and act out a Thanksgiving meal with their friends.
