Colonial School 2024 Summer Camps

Join the Fun!

Colonial School Camps are focused on making summer learning fun! We offer age appropriate activities for boys and girls ages 3 - 7 including crafts, games, outdoor and water play, and lessons that will spark your child's imagination. We will be following a 1 teacher to 10 children ratio with a maximum group size of 24 children with 3 teachers in our summer camps.

When we plan activities for our students, we choose hands-on, playful ways to explore learning. Whether we are in the classroom or on the playground, lesson plans are designed to engage children and inspire learning through play.

With an impressive choice of **12** different themes, there is a camp for every interest! Camps meet Monday through Friday 9 AM -12 PM. Starting August 5th, we will be open M-F, 6:30—5:30. We are closed the week of August 26th for our Meet the Teacher events.

We welcome current Colonial Schools students as well as their family and friends. For additional information about summer camps visit us at www.colonialschools.org or call the school office at 513 867-4006.
