Month of October 2024

## Dear Parents:

Here we are in a new season. It's hard to believe another autumn is here. The children have adjusted well to our daily routines.

This month we will be learning about Community Helpers, Fall and Halloween, and we have lots of fun activities planned. Our Fall Festival and Halloween parties are just a few of the things we will be celebrating this month. We will also be having our Open House, Donut Dates, and Trunk or Treat/Movie Night. What a busy October! Don't forget to ask your child what they are doing in school.

## Snack Time

During October we will be talking about fall foods - especially apples. Did you know there was a star in the center of an apple? Have you ever made your own applesauce? We might just have to give that a try! Please encourage your child to try new foods.

## Book Center

This month we will read many books about Community Helpers and also Johnny Appleseed. Of course some Halloween stories will be thrown in for good measure!

## Dramatic Play

During our Community Helper Unit we will add police officer, chef and other costumes so we can dress up like the community helpers in our neighborhood.
