Mrs. Maccio
February 2025

Dear Parents:

February is going to be a very busy month for us. It is going to be full of fun and learning. We are going to start our month talking about Dental Health. Next, we will talk about Valentine's Day, writing letters and decorating Valentine bags. Don't forget to wear red on your party day! Our month will continue with the discussion of two very famous presidents, George Washington and Abraham Lincoln. We will end our month with the Solar System. What a fun February we have planned! Reminder: No school on Feb. 5th and Feb. 6th due to conferences.

Writing Center

Our writing center will have Valentine and Patriotic words this month. This center helps with fine motor development and letter formation and recognition. We will also be learning about the letters J, F and B this month.

Music

We will be listening to patriotic music in honor of our notable presidents being remembered this month.

Art

The art center will be filled with hearts and pink and red paper to create beautiful Valentine masterpieces for those we love! Popsicle sticks will be added to create log cabins in honor of President Lincoln.

Discovery

Who is seated in the Lincoln Memorial on the back of a penny? Make sure you ask your child. We will be using our magnifying glasses in our discovery center to get a better look at Abraham Lincoln!

Play Dough

We will have **RED** play dough this month so we can make fun Valentine's "treats"! Heart shaped cookie cutters will add to the creative fun.
