

# Preschool Classroom Times

## March 2025

Ms. Suttmiller & Mrs. Seals  
Mrs. Watson & Mrs. Schubert  
Mrs. Honchell

We will kick off the month of March celebrating Dr. Seuss' birthday by reading his books, rhyming, and welcoming Mystery Readers to our classroom. As we make our way into spring, we will celebrate St. Patrick's Day, learn about the changes in weather we see outside and one of our favorite units-Dinosaurs! We will end our month learning about zoos and exploring zoo animals, and welcoming the season of spring! What an exciting and busy time to be in preschool!

### Art

Our art center will be filled with flowers, paint, shamrocks and other art materials to welcome the season of spring.

### Grandparents Day

We will start our month by welcoming our grandparents to Cullen Hall to share our school day, have a snack, and play bingo.

### Discovery

As the saying goes; March comes in like a lion and goes out like a lamb. This month is the perfect time to talk about different kinds of weather and explore what happens on windy days with tornado tubes.

### Library

We'll be adding our favorite books, along with books about St. Patrick's Day, the weather, and of course dinosaurs!

### Parties this month!

Wonder if we will catch that sneaky leprechaun on Friday, March 14<sup>th</sup> for our 2 day St. Patrick's Day party or Monday, March 17<sup>th</sup> for our 3 day party? We will design a trap together and try our best to catch one!
