

Week 9 **Wet and Wild** **July 28- August 1**

Caution: Wear your sunscreen and suits this week and be prepared to get wet! Water balloons, buckets of water, slip-n-slides and of course water table play is what this camp is all about. We will be on the playground A LOT this week!

Week 10 **Construction Zone** **August 4—August 8**

Calling all Builders! Join us this week as we transform the music room into a construction zone. Unleash your imagination as we build forts, bridges, castles (and more!), and turn ordinary objects into extraordinary structures! Whether working with Legos, wooden blocks, Magnatiles, recyclable materials or huge blocks on our playground, our architects will be busy building and creating all week!

Week 11 **Mad Scientist** **August 11 - August 15**

Put on your lab coats and get ready to experiment with all sorts of slimy, gooey stuff during Mad Scientist Week! We'll be investigating the world and galaxy around us while we pour, squeeze, and shake things up! Wonder what causes things to sink or float? We will try to figure it out on our playground with sensory tables and wading pools - we WILL get wet! Get ready to get messy as we make slime, learn about chemical reactions, make a rainbow walk and so much more!

Week 12 **Fun and Fitness** **August 18- August 22**

Summer may almost be over, but if you still have some energy to burn off, this camp is for you! Join us as we spend the week exploring our Extracurricular classes. Each day we will focus on a different activity with our teachers AND our Extracurricular Instructors. Get ready to have some fun and learn the basics of Tumbling, TaeKwonDo, Soccer, and Dance this week!

Choose as many camps as you like!

Colonial School 2025 Summer Camps

Join the Fun!

Colonial School Camps are focused on making summer learning fun! We offer age appropriate activities for boys and girls ages 3 - 7 including crafts, games, outdoor and water play, and lessons that will spark your child's imagination. We will be following a 1 teacher to 10 children ratio with a maximum group size of 24 children with 3 teachers in our summer camps.

When we plan activities for our students, we choose hands-on, playful ways to explore learning. Whether we are in the classroom or on the playground, lesson plans are designed to engage children and inspire learning through play.

With an impressive choice of **12** different themes, there is a camp for every interest! Camps meet Monday through Friday 9 AM -12 PM. Starting August 4th, we will be open M-F, 6:30—5:30. We are closed the week of August 25th for our Meet the Teacher events.

We welcome current Colonial Schools students as well as their family and friends. For additional information about summer camps visit us at www.colonialschools.org or call the school office at 513 867-4006.

We look forward to spending the summer with you!

Sincerely,

Mrs. Makela

Cool friends &
siblings of
Colonial students
welcome!

COLONIAL SCHOOL

COMMUNITY FIRST SOLUTIONS

www.colonialschools.org

Week 1 Camp Colonial June 2—6

This camp is focused on the beauty of life outdoors. There is so much to see and do! Our week will be full of nature walks, gardening, painting and exploring the great outdoors. Join us as the music room will be transformed into our very own campground where we can tell stories around the campfire and make s'mores.

Week 2 Dinosaur Dig June 9 - June 13

How big was a T-Rex ?

Come with us as we venture back into the time of the Dinosaurs. We will learn what they ate, where they lived and what clues they left behind. Jr. Paleontologists will have fun digging for fossils and we'll go on a dinosaur bone hunt and work together to put the dinosaur back together. We will vote to see which dinosaur is the favorite.

Will it be T-Rex, Stegosaurus, or one of the other prehistoric creatures?

Week 3 My Own Masterpiece June 16—June 20

Creativity is the key to this camp! We will be exploring different art mediums including painting, drawing and sculpting this week! We will also explore art history, and identify some famous artists and their masterpieces. We'll end the week with our very special art show. Requirements for this camp are imagination and the ability to get messy with Mrs. Honchell and Mrs. Stempfley!

Week 4 Pirates and Princesses June 23- June 27

Pirates and Princesses galore. This week will be filled with treasure hunts and enchanted dreams. Join us as we create pirate flags, treasure maps, and glittery masterpieces. We will also spend a day like Ariel and Pirates—having a water day on our playground! This week is devoted to using our imaginations, so come dressed as your favorite character, if you like!

Week 5 Party in the USA June 30 - July 3

Join us as we get ready to celebrate America's Birthday with our own version of the Olympics. We will show our American pride as we create patriotic artwork and compete in obstacle courses, relay races, parachute games and more!

Closed Friday, July 4th

Week 6 Superhero Adventures July 7 - July 11

Do you love the Avengers, Transformers, Superman and Wonder Woman? Join us as we celebrate the superheroes of today and yesterday. Discover your super powers while we figure out how to save the universe in just one week! We will strengthen our water superpowers with a water day! Feel free to dress up as much or as little as you like and don't forget to bring your superpowers!

Week 7 Kids in the Kitchen July 14—July 18

Pancakes, cookies, pizza, muffins and ice cream sundaes! Mmmm mmmm good! Grab your apron and spend the week with us in our kitchen as we try our hand at mixing, rolling, decorating, cooking and eating!

Week 8 Things that Go July 21—July 25

We will explore all the ways people can travel including planes, trains, and automobiles. We will build our boats and test them out during a water day. Special visitors will bring different kinds of vehicles to our school and we will make our own "Things that Go", too. We'll build our own car (chair!) wash on our playground and get to work!

Extended Day Available:

August 4th to August 22rd 6:30 am—5:30 pm

Snacks are provided at every camp!

Camps meet M-F 9 AM-12 PM
