

Putting the **COMMUNITY FIRST**

Established in 1918, Community First Solutions is a not-for-profit network that provides a broad continuum of quality services to meet the diverse health and wellness needs of our community.

A Continuum of **CARE**

Our diverse range of services positions us to be a convenient and trusted resource for residents, clients and referral sources. Leveraging the expertise of specialized teams across our organization, we are uniquely positioned to offer a continuum of services to support the individual health and wellness needs of each resident or client we serve.
