

Week 9 Wet and Wild August 3 – August 7

 **Splash, Play, Repeat!** Caution: sunscreen and swimsuits are a must this week—because we're getting *soaked*! Water balloons, buckets of water, slip-n-slides, sprinklers, and even kiddie pools are all part of the fun. This camp is all about staying cool and getting wet, and we'll be out on the playground A LOT enjoying every splashy moment.

Week 10 Construction Zone August 10 - August 14

 **Imagine It, Build It!** Calling all builders! Join us as we transform the music room into a full-on construction zone. Campers will unleash their imaginations while building forts, bridges, castles, and all kinds of extraordinary structures from ordinary materials. Whether working with LEGOs, wooden blocks, Magna-Tiles, recyclable materials, or giant blocks on the playground, our young architects will be busy designing, stacking, and creating all week long. It's a celebration of creativity, problem-solving, and big building fun.

Week 11 Magic of Color August 17 - August 21

 **Mix, Create, Explore!** Step into a world bursting with color! Join Mrs. Watson for a high-energy, hands-on week where we don't just look at colors—we mix them, create them, and experiment with them in every way imaginable. From the sidewalk to the snack table, campers will explore how colors blend, change, and come to life. By the end of the week, your child will see the world in a whole new light.

Week 12 Fun and Fitness August 24 - August 28

 **End-of-Summer Extracurricular Sampler!** Summer may be winding down, but if you still have energy to burn, this camp is the perfect finale. Join us for a high-action week exploring our Extracurricular classes. Each day, campers will dive into a different activity with both our teachers and our Extracurricular Instructors. Get ready to learn the basics of Tumbling, Taekwondo, Soccer, and Dance as we move, stretch, kick, and groove our way through the week. It's the ultimate end-of-summer boost.

Colonial School 2026 Summer Camp

 **Join the Fun at Colonial School Camps!** Colonial School Camps are all about making summer learning exciting and joyful. We offer age-appropriate activities for children ages 3–7, including crafts, games, outdoor adventures, water play, and hands-on lessons designed to spark imagination and curiosity.

 **Small Groups, Big Experiences** We follow a 1:10 teacher-to-child ratio, with a maximum group size of 24 children supported by three teachers. Whether we're in the classroom or out on the playground, our activities are intentionally planned to be playful, engaging, and full of opportunities to learn through exploration.

 **Something for Every Child** With 12 unique weekly themes, there's a camp for every interest! Camps meet Monday through Friday from 9:00 a.m. to 12:00 p.m. Beginning August 10th, we will be open Monday–Friday from 6:30 a.m. to 5:30 p.m. Please note: we will be closed the week of June 29th for the Fourth of July holiday and August 31st for our Meet the Teacher events.

 **Who Can Attend?** We welcome current Colonial School students as well as their family and friends. Everyone is invited to join the fun!

 **Want to Learn More?** Visit us at www.colonialschools.org or call the school office at **513-867-4006** for additional information.

We can't wait to spend the summer learning, playing, and exploring with you!

Sincerely,

Mrs. Makela

Week 1 Superhero Adventures June 1 – June 5

 **Unleash Your Powers!** Do you love the Avengers, Transformers, Superman, and Wonder Woman? Join Ms. LoBuono as we celebrate the superheroes of yesterday and today. Throughout the week, campers will discover their own superpowers as we work together to figure out how to save the universe in just one week. Feel free to dress up as much—or as little—as you like, and don't forget to bring your super-strength, super-speed, or whatever powers make you *you*. It's going to be an action-packed adventure.

Week 2 Pirates and Princesses June 8 – June 12

 **A Week of Imagination!**  Pirates and princesses galore! This enchanting week will be filled with treasure hunts, royal adventures, and big imaginative play.

Campers will design pirate flags, create treasure maps, and craft glittery masterpieces fit for any kingdom or crew. With a focus on creativity and pretend play, kids are welcome to come dressed as their favorite character if they'd like. It's a week where imagination rules the land and sea.

Week 3 Dinosaur Dig June 15 – June 19

 **How Big Was a T-Rex?** Come with us as we journey back to the time of dinosaurs. We'll explore what they ate, where they lived, and the fascinating clues they left behind. Our junior paleontologists will dig for fossils, go on a dinosaur bone hunt, and work together to piece a dinosaur skeleton back together. We'll even cast our votes to see which dinosaur becomes the camp favorite. Will it be the mighty T-Rex, the spiky Stegosaurus, or another prehistoric giant?

Week 4 Space Camp June 22 – June 26

 **5...4...3...2...1...** Let's blast off into a week of outer-space fun! Our NASA cadets will learn what it takes to become real astronauts as they explore the wonders of the universe. Rocket building, star gazing, and moon-mission workouts are just a few of the challenges campers will tackle on their journey toward becoming official NASA explorers. It's an out-of-this-world adventure from liftoff to landing.

Extended Day Available

August 10th to August 28th 6:30 am – 5:30 pm

Closed June 29th through July 3rd

Week 5 Mad Scientist July 6 – July 10

 **Let's Get Goopy!** Put on your lab coats and get ready to experiment with all sorts of slimy, gooey creations during Mad Scientist Week. We'll explore the world around us as we pour, squeeze, mix, and shake things up. Campers will make slime, investigate chemical reactions, create a walking rainbow, and dive into many more surprising, squishy discoveries. It's science at its messiest and most magical.

Week 6 Kids in the Kitchen July 13 – July 17

 **Pancakes, Cookies, Pizza, Muffins, and Ice Cream Sundaes — Yum!** Mmmm... good doesn't even begin to cover it. Grab your apron and join us in the Kitchen for a week of culinary creativity. Campers will mix, roll, decorate, cook, and of course *taste* their way through a menu of kid-favorite treats. It's a hands-on, flour-covered, sprinkle-filled adventure your young chefs won't forget.

Week 7 Things that Go! July 20– July 24

 **Planes, Trains, and Automobiles — and Everything in Between!** This week, we'll explore all the exciting ways people travel. From soaring through the sky to cruising down the road, campers will dive into the world of transportation in playful, imaginative ways. Special visitors will bring real vehicles to our school for kids to see up close, and we'll create our own "Things That Go," too. We'll even build a kid-powered car-wash (chair-wash!) on the playground and get right to work. It's a hands-on adventure in motion.

Week 8 Arts Alive! July 27– July 31

 **Do, Re, Mi, Fa, So, La, Ti, Do!** Creativity takes center stage this week. We encourage kids to **create, dance, play, sing, and act** as they explore the joys of the creative arts. Campers will learn about different musical instruments, express themselves through art, movement and drama, and work together to put on a spectacular extravaganza for our grandfriends and families. It's a week filled with imagination, teamwork, and music-making magic.

Snacks are provided at every camp!

Camps meet M-F 9 AM – 12 PM
