

Preschool Classroom Times

May 2026

Ms. Suttmiller & Mrs. Seals
Mrs. Watson & Mrs. Schubert
Ms. LoBuono

It's hard to believe that we are in the last month of school. May is here! We will continue the month talking about ponds, frogs, creatures under the sea, butterflies and summer fun and safety. We will end the month with a picnic at Hanover Park accompanied by our parents. What fun!

Math & Science Center: We are so excited to have our very own Painted Lady butterflies in class. We are excited to watch their transformation as they metamorphosis into the chrysalis stage and then come out as butterflies. Once they've hatched, we'll release them in our playground or in our Grandfriend's courtyard butterfly garden.

Art Center: We will be busy making colorful animals and insects using coffee filters, cupcake liners, paint, markers, and more! Shhh...we might be working on something special for our Moms, too!

It's amazing to us that this school year is almost over. We are blessed beyond measure to have been able to grow alongside all of our amazing students. Have a happy and safe summer. Thank you for all of your support this school year.

With love, your preschool teaching crew.

But wait- there's more! Our Colonial crew is ramping up for a summer full of fun! We are so excited to introduce new themes as well as some oldies but goodies. From superheroes to space... Princesses to on stage musical fun. We've got it all! We hope to see you at our summer camps.
