

April, 2026

Dear Meals on Wheels Client,

We are excited to share that Meals on Wheels will be making several important updates beginning July 1st, 2026. Based on your feedback, we are refreshing our menu and expanding the number of choices available to you.

Effective July 1st, 2026, we will offer frozen and hot meals. We will no longer offer chilled meals. If you currently receive daily cold meals, you will begin receiving daily frozen meals instead.

For weekly clients, June meals will be Option A (Red Bag); no menu will be sent for June. Daily clients will continue to receive a menu. We will send the July menu soon, along with instructions for filling it out. If you have questions, your Meals on Wheels driver can help, or you may call our office at 513-867-6222.

Meals will continue to meet nutritional requirements and receive approval by Council on Aging, who is a funding source for this program. Meals will continue to be assembled at our Berkeley Square location.

Meals on Wheels of Butler County is excited to offer you more options and hope you will be happy with the new menu. We appreciate your patience as we make these updates.

Thank you for allowing us to serve you.

Meals on Wheels Butler County
