

Welcome to Colonial School Summer Camps!

We have planned a summer full of fun and learning for your child! All camps are designed for children ages 3-7.

All children are welcome to participate.

You do not need to be enrolled as a student to attend summer camps!

Here's how to *Join the Fun!*

Complete your **registration** (on the flip side). Please return form with complete payment or we will include the balance in your **next** month's tuition.

We will also need a **medical statement and health enrollment form** for every child attending camp. Registered students may use the form from the school year providing it is current. New students or those with expired forms will need to submit/update a current form before they attend camp. Forms are available in the school office and online at www.colonialschools.org

Things to know:

Camps are filled on a first-come first-served basis, and space is limited.

Minimum participation for each camp is 5 children. A full refund will be given if a camp is cancelled due to less than minimum participation.

Refunds will not be given if you withdraw all or part of a camp, unless we are able to fill your child's slot.

If your child has any special needs or medical issues, you will be asked to provide a medical care plan. This plan will instruct staff how to respond to a medical emergency should one arise.

All camps will be held at Colonial School. Children will be outdoors during some camps.

Please apply sunscreen to your child and dress him/her for outdoor activities.

Lesson plans and activities are subject to change.

A snack will be provided during camp as part of the fun!

Extended Day Program:

We are **not** offering before or after Extended Day for the first 9 weeks of summer camp.

We will begin offering full-day care the week of August 10th.

Contact the school office at 513-867-4006 for more information or to register your child.
