

PreK Classroom Times

November 2026

Mrs. North & Mrs. Stempfley
Mrs. Meyer & Mrs. King
Mrs. Maccio

How can it be November already?! It seems like the school year just started! This month we will be talking about nocturnal animals, Pilgrims, Native Americans and Thanksgiving. We will learn about the Mayflower and the Wamponoag tribe. We will also have our Thanksgiving feast, complete with corn bread and homemade butter! Does your family have any special Thanksgiving traditions?

Blocks

The Pilgrims built their homes in America out of trees they cut down. We will add Lincoln Logs to our block center for the children to construct log homes. Have your child look for log homes when you are driving in the car!

Important Dates

November 18 - 3 day Thanksgiving Party
November 20 - 5 day Thanksgiving Party
November 23 – 27 Thanksgiving Break- No School

Letters

This month we will focus on the letters N, E, H and R. Be sure to check your child's backpack to see when they have the Mystery Bag - the children love trying to guess "What's Inside"!

Music and Movement

The children will learn special songs for the season, such as "Hiawatha", "The Mayflower Sailed Over the Ocean", "Over the River and Through the Woods", and "Albuquerque the Turkey"! Ask your child to share some songs with you!

Sensory

We will have small sticks and bark with our sand so the children can build wetus just as the Wampanoag tribe did. We'll also have brown Playdough to make turkeys and other foods for a pretend Thanksgiving feast.
