

# CLASSROOM TIMES

**Ms. Suttmiller & Mrs. Seals**
**Mrs. Watson & Mrs. Schubert**
**November 2026**

A new month is upon us with many exciting things happening in our classrooms. This month we will be learning about Nocturnal Animals, Harvest, Pilgrims, Native Americans, and Thanksgiving.

**Discovery**

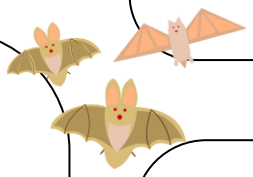

This month in Discovery Center we will have 2 new explorations. First, we will explore Nocturnal and Diurnal Animals. Then, later in the month, we will begin our Harvest Exploration, which will include exploring the world of corn, wheat and other fall foods!

**Parties & Activities**

We will be doing fall phone conferences on November 3rd, 4th and 5th.

We will also have a Thanksgiving Feast! Wednesday, November 18th for 3 day classes (both AM & PM) and Friday, November 20th for 2 day classes.

Remember NO SCHOOL November 23rd - 27th! School will resume November 30th! Enjoy your Thanksgiving break!

**Library Center**

In our Library Center we will be adding different books about Pilgrims, Native Americans, and Thanksgiving for the children to explore. This allows for the children to get visual images of what Pilgrims and Native Americans looked like. These books also help share the story of the first Thanksgiving.

**Dramatic Play**

In this center for the month we will be adding new foods and serving trays. This allows for the children to act as if they were a part of the time and act out a Thanksgiving meal with their friends.

**Blocks**

This month in our block center we will add Lincoln logs for the children to build with. This allows the children to recreate homes just like the Pilgrims lived in.
